

The following procedures will be observed for all persons who wish to address the board at regularly scheduled board meeting.

1. All persons who wish to speak are expected to sign-in at least thirty minutes prior to the start of the meeting.
2. The board's assistant secretary will sign-in guests who wish to address the board.
3. Each person who has signed in according to the board's procedures will be given three minutes to speak.
4. Visitors' comments are scheduled under the "New Business" agenda item.
5. We recognize that parents, students, faculty, and staff often have strong feelings regarding the school and its operations. Please respect and support our commitment to provide a positive model for students as we listen to the comments of visitors. This is an opportunity to model respect for the opinions of others in a way that our students can follow with integrity throughout their lives.
