Greenville Technical Charter High School (GTCHS) connects college with high school offering multiple college and career pathways for students. Located in Greenville, on the Barton Campus of Greenville Technical College, the students of GTCHS are able to use facilities on any of the Greenville Technical College (GTC) campuses as well as enroll in the college's classes.

With the combination of academic rigor and technical courses, GTCHS produces students who are capable of meeting the demands of other academic institutions and/or the workplace. GTCHS students become valued contributors to the community and their school by volunteering their time and energies. Each student completes fifty hours of community service in a single school year.

The GTCHS Student

A GTCHS student accepts academic rigor as the main focus of high school, is expected to attend college for training or a degree, has reached the maturity and skill level required to begin taking college courses, has reached a developmental level that allows independent work, and seeks the challenge to learn and to grow.

The GTCHS Code of Conduct

“The Warrior Way”

Be respectful; respect and encourage the right to teach and the right to learn at all times.

Be actively engaged; ask questions, collaborate, and seek solutions.

Be punctual; be on time to fulfill your daily commitments.

Be appropriate; demonstrate behavior that is considerate of the community, the campus, and yourself.

Be truthful; communicate honestly.

Be responsible; be reliable and accountable for your choices.

Inclement Weather

If school is closed for inclement weather or any emergency, listen to local radio stations, check the school website, school Facebook Account, or Twitter (@GTCHSBarton) for announcements. *GTCHS will post their own closings for inclement weather. Parents and students should look specifically for Greenville Technical Charter High School as we do not follow Greenville County School District Policy or Greenville Tech College Policy.*

BYOD: Bring Your Own Device

We encourage students to bring their own device **for educational use only**. All electronic devices such as i-pods, CD players, cell phones, headphones, etc. are prohibited during school hours without the permission of school personnel for educational use. Otherwise, devices should be turned off between 7:50 a.m. - 2:45 p.m. If these items are seen or heard in a classroom, they will be immediately confiscated and the student will be assigned consequences; if they are seen or heard in a hallway, the student will be asked to put it away. Not putting the device away or having to continually ask the student to put the device away will be seen as a “refusal to obey” school rules. During lunch hours, students may discreetly use devices in the MPR for research and study. **Students are not permitted to use their individual device as a “hot spot” on school grounds.** Consequences for violating the BYOD policy always include the following*:

 **First Offense** – Confiscation of the electronic device. After a conference is held with the parent/legal guardian, the device will be returned to the parent/legal guardian. The parent and student will also sign a copy of the policy and consequences upon return of the device stating they have read and understand the terms.

 **Second Offense** - Confiscation of the electronic device. After a conference is held with the parent/legal guardian, the device will be returned to the parent/legal guardian. The student will be responsible for turning the electronic device into the designated administrator each morning before 8:00 for the next **10 school days**. Students will pick the electronic device up from the administrator after school each day. *Failure to turn electronic device into administration will result in suspension.*

 **Third Offense** - Confiscation of the electronic device. After a conference is held with the parent/legal guardian, the device will be returned to the parent/legal guardian. The student will be responsible for turning the electronic device into the designated administrator each morning before 8:00 for the next **30 school days**. Students will pick the electronic device up from the administrator after school each day. *Failure to turn electronic device into administration will result in suspension.*

 **Fourth Offense** - Confiscation of the electronic device. After a conference is held with the parent/legal guardian, the device will be returned to the parent/legal guardian. The student will be responsible for turning the electronic device into the designated administrator each morning before 8:00 for the next **45 school days**. Students will pick the electronic device up from the administrator after school each day. *Failure to turn electronic device into administration will result in suspension.*

*NOTE: If the student refuses to give the electronic device to faculty or staff, the student will be suspended for an amount of day(s) determined by the administration. Additional consequences can include limiting access to GTCHS wireless capability or limits placed on the student's school account.

GTCHS Nondiscrimination Notice

GTCHS does not discriminate on the basis of race, color, national origin, sex, age, disability, or religion. Title IX provides that no person shall, on the basis of sex be excluded from participating in, be denied the benefits of, or be subjected to discrimination under any academic, extracurricular, research, occupational training, or other education program or activity operated by GTCHS. Americans with Disabilities Act and Section 504 of the Rehabilitation Act of 1973 provide that no otherwise qualified disabled individual shall, solely by reason of such disability, be excluded from the participation in, be denied that benefits of, or be subjected to discrimination in programs or activities sponsored by the school. Questions pertaining to Section 504 and Title IX and reports of sexual discrimination, sexual harassment, and/or assault should be directed to the Assistant Principal of Instruction.

Dress Code

GTCHS believes that when students wear common school uniforms with approved colors, it fosters a school culture of community, solidarity and pride. Further, it is also to ensure safety since the colors identify GTCHS students from the older college students. Therefore, **students are to arrive to school in**

dress code and remain compliant throughout the day as long as on campus for any high school or college course or school activity by wearing the following:

IDs: GTCHS IDs will be worn around the neck with a break-free lanyard when on campus, for high school and college classes. The GTCHS ID must be valid and visible at all times and no defacing of the student picture is permitted (i.e. – stickers on face, etc.). Broken or cracked cards are not considered valid and must be replaced. If you lose your ID or need to replace your ID, you can get a new one from the Main Office between 7:45-8:00 AM. The cost is \$1 (cash only) for a temporary ID and \$5 for a new ID. Students cannot charge more than 3 IDs on their school account.

(Please note that shirts are to be worn with the school compliant khaki bottom unless otherwise specified).

SENIOR SPIRIT DRESS FRIDAYS: After the first report card, if the senior class as a whole has good grades and good discipline, the principal may allow seniors to wear jeans or chino shorts/pants (of any color) on Fridays. NO HOLES that show visible skin. Skirts may not be shorter than three inches above the knee (*the long side of the student ID*). Shorts must be mid-thigh or longer. Individual detailed dress guidelines will be communicated to students and parents via email prior to the event.

Administration will make final judgment, interpretations, and changes regarding dress code issues.
Repeated non-compliance with dress code will be interpreted as insubordination and disciplined accordingly.

Medication Policy

All medication must be delivered to the Health Room Attendant or other designated school employee by the student’s parent, legal guardian or a previously designated adult. Students may not carry ANY medication on their person without physician permission, parent permission and GTCHS permission to self-administer and self-monitor (SC Law S144). All medication will be maintained in the health room. Violations of the medication policy are dealt with sternly. Medication needed on field trips is also covered by this policy and must be given to and administered by an employee of Greenville Tech Charter High School designated by the principal. There are separate permission forms for medications on field trips. Please email the health room attendant for permission forms. ALL forms will be available on book/schedule pick up days.

For your child’s safety please remember:

-  ALL PRESCRIPTION MEDICATION must have written parental and physician authorization before medication can be administered at school.
-  All PRESCRIPTION MEDICATION must be administered as labeled and medications may not exceed package directions.
-  ALL PRESCRIPTION MEDICATION must be brought to school by a legal guardian or designated person over 18 years of age and given directly to the health room attendant or designated school personnel.
-  OVER THE COUNTER (OTC) MEDICATIONS will be provided by health room attendant if student has a “permission for OTC” on file in health room. DONATIONS of ibuprofen and acetaminophen are encouraged. Parents/guardians may deliver to front office.

- ✦ Parents are responsible for knowing the expiration date of any medication brought to school and replacing medication before the expiration date. School personnel will not administer any medication past the expiration date.
- ✦ ALL MEDICATION MUST BE IN THE ORIGINAL CONTAINER.
- ✦ Health room attendants are legally required to administer only medications with FDA approval.
- ✦ No medication containing ASPIRIN can be given at school without a doctor's authorization. This includes but is not limited to Pepto Bismol, Excedrin, and some OTC cold medications.
- ✦ If your child forgets to take a morning dose of medication, school personnel are not allowed to give that dose at school. Parents may come to the Health Room to give the missed dose.
- ✦ Students with certain medication prescribed by a health care provider contained in the original packaging and appropriately labeled may carry these medications, may self-monitor and may self-administer these medications **only if we have permission** from the prescribing doctor and the parent/legal guardian (SC Code 59-63-80). Medications that are approved for self-administering are asthma inhalers, insulin for diabetic students, Epi-Pens for severe allergic reactions, and some migraine medications.
- ✦ If there is sufficient evidence that unsupervised self-monitoring or self-medicating would seriously jeopardize the safety of the student or others, (stimulants, pain relief medication, and anti-depressants for example) the school may refuse to allow the student to carry his/her medication.

Contacting Parents

If your child comes to the Health Room and needs to go home, we must contact a parent or legal guardian. We cannot send a student home with anyone until a parent has been notified. This is why it is very important that we have current information about how to contact you at all times. If your child has an emergency situation or needs immediate care that cannot be provided at school, those contacts you list on the Health Card will be called IF we cannot reach a parent first. Please understand that this is for your child's protection.

Attendance Guidelines

Daily attendance and active participation in each class is a critical part of the learning process. Policies and procedures established at GTCHS are designed to help students learn responsibility and increase their potential for success. A significant role of today's high school is to help students learn to understand and appreciate the importance of punctuality and regular attendance. Evidence shows that regular school attendance has a positive carry-over to the world of work. Attendance is primarily the responsibility of the students and parents/guardians.

Furthermore, state law requires that all children between the ages of five and seventeen be enrolled in school. Regular attendance is necessary for academic progress to be made. The allowed number of absences includes both excused and unexcused absences. Students receiving units of credit in high school do so when they receive a passing average in each class AND fulfill the attendance requirements according to state law. **All** absences require *written documentation* that has been *signed by the parent/guardian* and *submitted within 5 school days of the absence*. All written absences are kept on file.

In order to receive credit for a class, students must be in attendance as follows:

42 days of each 45 day course

85 days of each 90 day course (every year-long class that meets on our A/B day schedule is a 90 day course)

If a student attends fewer than 85 days in a 90-day course or fewer than 42 days in a 45-day course, a statement from a medical doctor must be provided to the attendance office. Administration is authorized to grant credit to students with additional absences provided the absences meet the criteria of lawful absences in this policy, when there appear to be extenuating circumstances with appropriate documentation.

Attendance is taken each period for each individual class. Students who are tardy, dismissed early, or absent from class for any approved reason will be marked accordingly. Students must be in attendance for at least 2/3 of the class to be counted present for the individual class.

All absences are classified as lawful or unlawful

Lawful absences

Absences caused by a student's own illness and whose attendance in school would endanger his or her health or the health of others.

- Illnesses verified within five days of the students' return to school by a written statement from a physician are coded as medical absences; illnesses verified by a written statement from a parent are coded as excused. The school must have documentation from a doctor to verify any chronic condition.

Absence due to an illness or death in the student's immediate family verified by a statement from a parent within five days of the student's return to school.

Absences due to a recognized religious holiday of the student's faith when approved in advance. Such requests must be made to the administration in writing.

Absences due to school-related activities that are approved in advance by the administration.

Unlawful absences

Any student who fails to provide a verified statement for personal or serious illness within the time established by law (within five days of student's return to school) will have his/her absence counted as unlawful.

Any absence, with or without the knowledge of the parent, which does not meet the conditions for a lawful absence shall be counted as unlawful.

Willful absence from school without parent knowledge or consent will be considered unlawful absences and subject to disciplinary action.

More than 5 unlawful absences in a 90-day class will cause the student to be considered truant and an attendance intervention plan will be required. School and Family Court penalties may be appropriate.

Pre-arranged absences

If a student anticipates an extended absence, the student must complete a pre-arranged absence form. This form is available in the attendance office. A written note signed by the parent/guardian indicating the dates the student will be absent must accompany the request. Submitting this request does not guarantee that the absence will be approved by administration. Pre-approved forms **MUST** be turned in prior to the absence, accompanied with the parent note, to the attendance office. This includes all college visits (see below). Extended absences could result in loss of credit for classes.

College visitation

Absences for high school sophomores, juniors, and seniors may be approved for the purpose of visiting college campuses. When applying for college visits, students must adhere to the following:

Requests for approval of absences for college visits must be submitted in writing by a parent at least one week in advance of the scheduled visit

Approval will be granted for no more than two visits per school year for juniors/seniors and no more than one visit for sophomores with one day granted per visit

Each request should specify duration of the visit and travel time, which may be approved at the discretion of the administration

Absences approved for college visits will be lawful absences and students will be allowed to make up classroom work

College visits should include signed documentation from the college

Please contact the Assistant Principal of Student Services to receive a college visit form.

School Sponsored Activities

Class absences due to participation in a school sponsored activity, including pre-approved college visits, shall not be considered for purposes of receiving credit. However, students with accumulated class absences at or above the limits for receiving credit shall not be excused from class to participate in those activities.

Procedures following an absence

It is the *student's responsibility* to request all make-up assignments from teachers on the day the student returns to class following an absence. Work should be submitted and tests made up no later than 5 school days after the excused absence. If absences are not cleared upon return, the student will receive an "unlawful absence." Students must remember that it is their responsibility to have their parents prepare and send documentation to verify excuses for absences *on time*. Falsely representing a parent/guardian's documentation in any way will result in disciplinary action. **Re-admittance notes (excuses) must contain the following: student's full name, specific dates and class periods of absence, reason for the absence, and signature of the parent/guardian or doctor, along with daytime telephone numbers for home or work.**

Early dismissals and tardiness

Students are expected to arrive in class on time. Tardiness disrupts classes and interferes with the opportunity for students to learn. **For the first 3 tardies to a class without a lawful reason, the student will receive parent notification and warning.** For every **additional 3** tardies to a class without a lawful reason, the student will be assigned 2 hours of Saturday School. The 10th tardy will result in a parent conference with administration. Any student that misses more than 1/3 of the class shall be counted absent for attendance credit purposes.

Early dismissals before the end of the regular school day are discouraged. Any early dismissal from class will be marked as EPU (Early Pick-Up) unless the student misses more than 1/3 of the class and then it will be marked as an absence. **For the first 3 EPUs to a class without a lawful reason, the student will receive parent notification and warning.** For every **additional 3** EPUs without a lawful reason, the student will be assigned 2 hours of Saturday School. The 10th EPU will result in a parent conference with administration. **Any student that misses more than 1/3 of the class shall be counted absent for attendance credit purposes.**

Early Dismissal Procedures

Early dismissals for medical appointments must be arranged *prior* to departure. Early dismissal notes may be taken to the main office before classes begin in the morning. Students will then be given a dismissal slip from the office that will serve as their pass out of class at the appropriate dismissal time. A written note must contain the student's *full name*, the *reason for dismissal*, a *signature of the parent/guardian*, and a *parent/guardian contact number* as well as the name of the adult who is picking

up the student. **Students leaving campus are permitted three phone/note from home check outs per semester.**

A parent/guardian may submit a list of individuals authorized to obtain the release of their child from school at the time of the child's enrollment. The signature of the parent/guardian must be notarized (we have a notary on campus). A parent/guardian may amend a list submitted pursuant to this regulation at any time, in writing, with a properly notarized signature of the parent/guardian. Certified copies of any court orders of divorce decrees provided by the custodial parent/guardian, which restrict another parent's/guardian's ability to seek the release of the child, shall also be maintained in the attendance office. If anyone seeks the release of a student from school, he/she must report to the Attendance Office and present satisfactory identification. *Students are not to leave school grounds without permission from the attendance office.*

Early Dismissal due to Unexpected Illness

Any student that becomes ill at school must report to the health attendant with a pass from their teacher. If a student is too ill to return to class, the nurse will contact the parents and dismiss the student. Students are to only visit the health attendant when they have a pass secured by their teacher. Students are not to stop by the health attendant's office between classes. Students who are ill are not to use the front desk phone or cell phone to call parents about a dismissal for sickness. The health attendant will call the parents. Dismissals from the health attendant are considered lawful absences if the dismissal is deemed necessary by the health attendant.

Withdrawal from School

Students must follow withdrawal procedures through the attendance/registrar's office. Students planning to withdraw from GTCHS should be accompanied by an adult when completing the withdrawal process. Please note that Greenville County Schools have the following policy:

If a district school receives a charter student with final grades earned during the current school year, the counselor is to enter exactly the grades awarded by the previous school when enrolling the student. If the grade is below 75, then the counselor is to REMOVE the unit value to reflect the practice at the charter school. This maintains the integrity of the standard set at the charter school.

Seat time recovery (STR)

The objective of seat time recovery is to allow students who are *currently passing a course or just below passing* and have more than the maximum number of absences the opportunity to recover class hours by attending STR. STR for first semester is required to be made up prior to the first day of first semester exams in order to receive credit for the class. STR for second semester is required to be made up prior to the first day of second semester exams in order to receive credit for the class.

STR will enable participants to make up the hours required to receive credit for a course. STR can only be made up in Saturday School. Saturday School cost is \$5/hour.

Instructional Policies and Practices

Each student's program of study includes mathematics, science, language arts, social studies, foreign language, technology, and fine arts. GTCHS aligns its curriculum with appropriate and approved State

or National standards. All students are expected to enroll in the most rigorous coursework they are capable of completing successfully.

College Courses

A student's program of studies should include dual enrollment courses through Greenville Technical College. These college courses are taken in grades 10, 11, and 12 as an alternative to high school-level academic courses at GTCHS. Please refer to the College 101 Handbook (located on the GTCHS website) for all details concerning dual-credit classes.

Graduation Requirements

Twenty-four (24) specific units of credit are required for a South Carolina High School Diploma. In order to participate in the GTCHS graduation ceremony, the principal must certify that the student has met the following requirements:

4 units of English	3 units of Science
1 unit of US History	½ unit of Government
½ unit of Economics	1 unit of other Social Studies
4 units of Mathematics	1 unit of Computer Science
1 unit of Physical Education	1 unit of Fine Arts
1 unit of Foreign Language	½ unit of Senior Project
5 units of electives	½ unit of Personal Finance

Students are also required to have 200 hours of community/school service (50 per year). Refer to the Community Service Guide found on the school website. At Greenville Technical Charter High School, only those students receiving a South Carolina state diploma will be allowed to participate in the graduation ceremony. Students also are required to fulfill all obligations (fees, textbooks, library fines, parking tickets, school service hours, seat time, etc.) in order to participate in the graduation ceremony.

In addition, according to the South Carolina high school diploma program requirements, "no student shall apply more than six units of credit earned in summer school and/or through approved correspondence courses, and/or through adult education programs to the twenty-four units required for the SC high school diploma."

Grading

To receive credit for a course a student must complete instructional requirements in a satisfactory manner and also must be in compliance with the attendance policy. A student who fails to comply will not receive credit for the course. GTCHS requires all students to earn a minimum of a 75 to reflect mastery of course requirements. If a student fails a course with a grade of 70-74, the student is eligible to retake the course through credit recovery. If a student fails a course with a grade below 70, the student will not be eligible for credit recovery and would need to see their school counselor to discuss their individual graduation plan.

Grades earned by the student are numerical. A student's numerical average is determined by considering each unit grade along with semester and/or final exams and projects as a certain percentage of the overall course grade. Following are performance levels of the GTCHS grading scale:

95-100	Exemplary
85-94	Mastery
75-84	Proficient
Below 75		Not met

Report Cards and Progress Reports

Each major grading period is nine weeks in duration. Information regarding student progress is issued at the mid-point of each reporting period as well as at the end of each nine weeks. Progress reports are distributed to students on the dates shown in the GTCHS academic calendar. Live grades can be accessed by students and parents through the Parent Portal. Log-in codes are available for students and parents upon request from the front office.

Grade Classification

Grade placement is determined by units of credit earned. To be eligible for promotion at the high school level, students must meet the following minimum credit standards:

- Entrance to grade 9: All students in their first year of high school
- Entrance to grade 10: 5 units, including one unit of English, one unit of math, one unit of science and 2 other units
- Entrance to grade 11: 11 units, including two units of English, two units of math, one unit of science, and six other units
- Entrance to grade 12: 16 units, including three units of English, three units of math, two units of science, and eight other units

Parent Conferences

Parent/student/teacher conferences are an important element of successful student progress. If you need a conference with one teacher, please contact the teacher with whom you would like to have a conference. Call the School Counselor to make an appointment with an entire teacher team or multiple teachers at one time. *If you have any curriculum questions, academic concerns, or feel a matter has not been fully resolved, please contact the Assistant Principal of Curriculum & Instruction.*

Office Hours

GTCHS wants students to achieve mastery and success in all classes. To achieve this, office hours are available for students Monday-Thursday. All students are expected to attend office hours if their current overall average for the year is below 80%. This time is used to work intensively one-on-one or in small groups to ensure mastery of concepts. It is not a time to make up work. Students need to arrive on time and be prepared to utilize the entire hour. **Extracurricular activities do not excuse students from attending office hours.**

As a mastery learning school, each teacher is expected to ensure they are providing opportunities for students to master the content and concepts. The manner in which they do so is based on their professional discretion. Reteaching of the material should always occur and an opportunity should be provided for students to demonstrate they have grasped the material. If reassessments occur, administration only recommends that they apply to major assessments and be completed with the teacher.

Student Led Conferences

These conferences count as an attendance day and are **mandatory**. Students meet with a parent/guardian and their advisor to review progress in classes and service hour accumulation. The conferences may last between 20 and 30 minutes as scheduled by advisors. Advisors make every effort to accommodate parent schedules; however, please plan in advance to attend on the designated day.

Semester and Final Exams

Exams must be taken at the appropriate time on the assigned day unless an exception for extreme cases is granted by administration. Extreme cases are defined as illness, bereavement, and similar situations. Vacations, student job schedules, and convenience of transportation will not be considered for exam time changes.

Seniors Only: Teachers may elect to exempt seniors from the final exam if they have a 93 or higher in the course. The students F1 grade will count for their exam grade.

Make-up Work

The responsibility for make-up work rests with the student. When an absence is caused by the student's illness, death in the family, or by an unavoidable accident, the faculty will look favorably upon helping the student make up his/her work. Students must adhere to deadlines set by the teacher. In general, if students are absent from class, they have five (5) school days (not class meetings) after returning to school to make up missed work. GTCHS expects students to turn in their work on time unless they have been absent from school.

Smart Center

The Smart Center is a service provided in partnership with the Salvation Army. It provides tutoring for students who want extra help Monday-Thursday, 2:45-5:30 in the Multi-Purpose Room. Contact the Director of Smart Center for more information (see [Staff Directory](#) for his contact information).

Homework

Teachers assign homework for students to practice new learning or to work on projects to demonstrate their learning. GTCHS expects students to do their assigned homework on time.

Textbooks

Textbooks are loaned free of charge to students. GTCHS issues textbooks individually to students via an electronic system. The SDE barcode on the back of the book is assigned to a particular student. Only that student will receive credit for return of the book. Reimbursement for lost or damaged textbooks, library books, or other school property is charged to the student using current replacement costs. The year-end report card will be withheld until reimbursement is received for all unreturned textbooks.

Lockers

Lockers are an option provided for students. Lockers are assigned on a first come first served basis. Lockers are subject to search by school authorities, since they are the property of the school. All assigned hall lockers should be kept cleaned and locked. Students are advised not to share lockers with other students. A school issued combination lock will be provided and must be used at all times. Any personal locks will be removed. Students who lose a combination lock will be assessed \$6 for a replacement.

Cheating

GTCHS does not tolerate cheating in any form. Cheating is representing, in any manner, someone else's work as your own so plagiarism is also considered a form of cheating. It is also the sharing of your work with another student. There will be academic or disciplinary consequences as the result of cheating.

Extra-Curricular Activities

Participating in extracurricular activities is considered a privilege. In order to participate in extracurricular/ co-curricular activities or athletic programs, students must adhere to GTCHS criteria, South Carolina High School League rules (where applicable) and law.

Therefore, students must:

-  Meet the academic requirements set forth by the school and (if applicable) the state organization governing the sport, activity or program
-  Maintain a record of acceptable and appropriate citizenship, character, and personal conduct, both inside and outside the school
-  Have accrued 50 service hours from the year prior or have created an approved plan with their advisor and the Assistant Principal of Student Services (9th graders are exempt their freshman year)

Athletics

Because it is a privilege to represent the school in athletic events, GTCHS has the authority to revoke the privilege when student athletes do not meet the required standards of conduct and appropriate behaviors. Responsibility for correct behavior exists while athletes are involved not only in their chosen sport, but also while attending class and participating in other school activities. All athletes who want the advantage of participation in athletic programs should be prepared to follow all rules and regulations as determined by faculty and school administration and the GTCHS Athletic Code of Conduct. Please consult the Athletic handbook for further information.

Dances

Attending GTCHS-sponsored dances is a privilege that can be revoked either for the remainder of the event or for all future events. Students must abide by rules of appropriate conduct and behavior during these social events. Students are NOT permitted to leave a dance with intent to return without permission, and they must be escorted by a faculty chaperone. All disciplinary procedures normally followed at GTCHS are in effect at these events.

Field Trips

Any student wishing to participate in a field trip or similar activity must comply with the dress code, behavioral standards, and parent/guardian permission requirements as outlined by the supervising faculty member. All transportation for field trips and related activities must be in school-approved vehicles. No student is allowed to drive a vehicle on field trips unless the parent/guardian AND the administration approve based on extenuating pre-approved circumstances.

Please note: If any student is not in good standing with grades and attendance, then administration reserves the right to deny field trip attendance.

Clubs

GTCHS clubs are closed forum. This means the only clubs approved are those that directly relate to our academic curriculum. All clubs must have a school employee to sponsor the club, and appropriate paperwork on file with the Assistant Principal of Student Services.

Student Behavior

All teachers have been given the authority and responsibility to ensure compliance with properly adopted rules and regulations, even though violations may occur outside the classroom. Teachers may and should take appropriate action wherever they find a violation on the school grounds. The administration reserves the right to determine the appropriateness of behavior and dress. Authority to suspend students is prescribed by South Carolina Law.

Off Limits Areas

Loitering in front of the school building, in hallways, in restrooms, in stairwells and stairways, outside buildings, and anywhere on the GTCHS campus during the school day is prohibited. A student is not permitted in the halls during class periods unless he/ she is accompanied by a teacher or has an official hall pass from an authorized staff member.

1. Parking Lot

 Students are only allowed to enter the parking lot during the school day with permission from the office; the administration advises students to bring in their money, lunches, books, and projects. Students are not to use their cars as lockers, and students who habitually ask to go to the parking lot will be denied. Students may not take other students with them to the parking lot.

 Students are not allowed to leave campus in a vehicle during the school day unless an administrator and a parent/legal guardian grant permission in special circumstances.

 Illegal drugs, unauthorized medications, alcohol, and weapons, whether in sight, discovered, or confiscated as the result of a search by school or law enforcement officials, will result in immediate recommendation for expulsion of the student. All items in vehicles driven onto the Greenville Tech campus are the responsibility of the driver.

2. Upper levels of the Allied Health Building

 Students who take college classes on the second or third floor of the AH Building are only allowed on that floor for their classes. Otherwise, GTCHS students should only be on the first floor.

3. Greenville Technical College Campus

 Students are only permitted to be in other campus buildings when scheduled to attend a class or to meet with an instructor during designated office hours. High School students are required to sign out and back in at the front office when leaving and returning from college classes.

 GTCHS students are permitted use of the library; however, they should not go there without permission during GTCHS operating hours.

4. GTC Student Center

 Juniors and seniors in good standing (no discipline issues) may eat in the Student Center during their lunch period.

Parking

Parking decals must be updated each school year. To receive a parking decal, students must have the following:

 State-issued Driver's License

 Vehicle information, including make, model, owner, tag number

 Paid student activity fee

Parking decals are available during orientation; otherwise, students will see the registrar.

Decals must be placed on the outside lower left corner of the back window. If you get a new car, you must register the new car as outlined above (there is no additional charge).

Temporary Parking Permits – Students must obtain a temporary parking permit from the main office if they are driving a different car in an emergency situation. All cars must have a parking permit. Students may receive a ticket for parking a car without a permit even for a short time.

Greenville Technical College Parking and Driving Regulations

If you receive a ticket for offenses of GTC Regulations below, **you must pay*** GTC, unless there is evidence the ticket was written in error. In such cases, you may appeal to GTCHS administration **within 5 days of receiving the ticket**. After 5 days, the right to appeal is waived.

 The on-campus speed limit is 15 mph.

 Students must park between white lines only.

 GTCHS students are only allowed to park on the left side of Lot D.

Vehicles must be forward facing in the parking space.

Parking decals must be properly placed and visible at all times.

*Pay all tickets at the GTC Business Office

Hallway and Campus Pedestrian Movement Regulations

The following regulations for student pedestrian traffic at GTCHS (as well as GTC campus area) will ensure that movement of students to and from classes and activities is orderly and non-disruptive to the educational atmosphere.

When walking in the halls, stairways, and on campus sidewalks, keep to the right at all times and follow the appropriate arrows between class change. Refrain from standing in the middle of hallways, in hallway intersections, and in stairwells.

No running or loud talking in the hallways, stairways, or sidewalks.

During class times **no student should be in the hallways or other areas outside the classroom without a hall pass, signed by a teacher, stating the time excused and the destination.** The student must go only to the stated destination and return promptly. Hall passes are checked.

Emergency drills at GTCHS are a serious matter. Students should be familiar with fire drill instructions posted near the doors in classrooms. When the signal for an emergency drill is given, students must move quickly, quietly, and in an orderly fashion to the location designated by the teacher. Silence is essential in the event that vocal instructions are necessary.

Public Conduct on School Property

GTCHS expects a high standard of conduct from its students, faculty, and support staff. No less is expected from its visitors. GTCHS teachers, staff, and administrators will enforce the rules and policies outlined in this handbook. This code of conduct governs the conduct of all persons authorized upon any premises or property that is under the control of the school for use in its teaching as well as at other locations where GTCHS students and employees are participating in administrative, cultural, recreational, athletic, and any other programs and activities. Any person who is not authorized by the school is trespassing and subject to arrest.

Use, possess, sell or distribute alcohol, illegal drugs, and drug paraphernalia. Violation will result in **recommendation for expulsion.** Periodically, GTCHS will have drug dogs search the school and parking areas for drugs. These searches will be unannounced.

GTCHS has a zero tolerance for drugs, weapons, and harassment. Any student who violates this policy will immediately suspended and recommended for expulsion.

Questions about or policy should be brought to your teacher, administration or the GTCHS Director of Technology.

Bullying and Harassment

Greenville Technical Charter High School (GTCHS) is committed to providing a safe learning environment for all students.
