

## **Monday (9/6)**

Labor Day holiday - no school

## **Tuesday (9/7)**

American government (1st and 4th blocks) - Discuss the structure of our court system and how it applies to our essential question.

Homework : Start working on the assignment for *Just Mercy*

World History (2nd block) - the students will brainstorm on the phrase "Age of Anxiety" and discuss essential questions for our new unit. Students will read about the Great Depression and make an annotated timeline about the Great Depression.

## **Wednesday (9/8)**

American government (1st and 2nd block) : The students will have a quiz on English documents and early American governments. The students can use the foldables that they made in Wednesday's class the week before. Next the students will read the Declaration of Independence and rewrite it in their own words.

World history (4th block) : The students will map the Safavid Empire and then create a tour guide book about the empire.

## **Thursday (9/9)**

American government (1st and 4th block) : the students will learn about Marbury v Madison and make political cartoons about the case

World history (2nd block) : The students will research artists, writers and psychologists of the early 20th century and apply how their works applied to the uncertainty of the world in which they lived. The students will continue their research on Tuesday (9/14) for presentations in class on Thursday and Friday of next week.

## **Friday (9/10) A day**

American government (1st and 2nd blocks) - we will have a brief current event discussion in class (students can come to class with a topic in mind or the teacher will have a topic to discuss). The students will evaluate the Articles of Confederation after reading about its structure.

World History (4th block) : we will have a brief current event discussion in class (students can come to class with a topic in mind or the teacher will have a topic to discuss).
