

GTCHS Parent Service Log

Parent Name:		Student Name(s)
---------------------	--	------------------------

The success of GTCHS depends greatly on parent involvement. We want to partner with our parents for the success of our students. We ask that each parent volunteer 18 hours on behalf of the school or a total of 36 hours per two-parent family. Donations are also accepted to fulfill parent volunteer hours. **\$10 worth of donated items = 1 service hour** You will be asked to submit how you fulfilled your service hour obligation electronically in April each year. The link to the form will be sent from the Assistant Principal of Student Services in April.
