GTCHS Parent Service Log

Parent Name:		**Student(s) Name(s)** **Advisor:**

The success of GTCHS depends greatly on parent involvement. We want to partner with our parents for the success of our students. We ask that each parent volunteer 18 hours on behalf of the school or a total of 36 hours per two-parent family. Donations are also accepted to fulfill parent volunteer hours. ***$10 worth of donated items = 1 service hour***
Please be prepared to report your parent service hours each spring. Information will be sent at that time via the Weekly Warrior and through advisory. This form is provided for your convenience.
